### *Permission to leave the grounds (15+ only)*

Camp staff and directors are aware that many senior campers enjoy a certain level of freedom at home and expect to be able to meet with friends and go off-campus in an unsupervised fashion. For this reason we allow our students a limited number of unescorted trips off-campus during each 2-week session.

Students must be **over 15 and present a signed consent form from their parents** in order to be granted permission to leave the grounds unaccompanied by an adult until 22.30 only **3 times per session of 2 weeks**. The specific days are determined by the camp director.

Students **under 15** and **students over 15 without a signed parental consent form**, will not be allowed to leave the grounds.

The whole course and activity programme is organised in order to occupy the students' timetable as much as possible.
