From Broadway shows and baseball games to ethnic markets and vintage boutiques, New York is a cultural melting pot. With its superb public transport system, getting from one side of Manhattan to another is a simple train ride away.

Let New York's vibrant energy sweep you off your feet. Don't miss New York's renowned sights such as the **Empire State Building, Central Park** and **Times Square**. Check out the city's iconic neighbourhoods of **Harlem, Chinatown, Greenwich Village** to get a feel for daily New York city life. Some of the world's most well-known museums such as the MoMa, the Guggenheim and the Museum of Natural History lie in the heart of New York, giving the city an unparalleled cultural heritage.

And of course, no trip to the Big Apple would be complete without a boat cruise to the **Statue of Liberty** and **Ellis island**.

Accommodation

Homestay

Single room, breakfast (outside Manhattan)

All our host families are vetted and interviewed by our local partner to ensure they meet the strictest accommodation standards. They provide a warm and welcoming environment for students and tourists.

Host families live in safe neighbourhoods, near public transport and shops.

Optional Extras

- Accommodation inside Manhattan
- Half board (only outside Manhattan - see price list)

Practical Information:

- Bed linen and towels provided
- Not all households in New York own a washing machine. Some of our host families may do their laundry at a nearby laundromat. Host families with a washing machine at home will usually let you use it so you can do your laundry.
