

EASY LANGUAGES

China

For the youth aged 13 to 17, our programme High School in China gives you the opportunity to integrate in the Chinese culture alongside Chinese and international students, in a prestigious secondary school. Conditions: you should be motivated, your current school results are satisfactory and you have a level of English that allows you to communicate and attend classes. A basic command of Mandarin is recommended but not necessary as Mandarin lessons are scheduled during your stay.

For 1 semester or 1 year, you will live with a host family who chooses to share their daily life with a foreign student. A unique opportunity to discover the Chinese culture, lifestyle and traditions.

High School in Beijing - China

Study in a prestigious Chinese school with local and international students while sharing the everyday life of your host family. Ages 13-17. From one semester to a full academic year. One semester from €18 500, a full year from €22 800 (flights, tuition, homestay, full board).
