

EASY LANGUAGES

Internships

An internship abroad is the perfect way to combine language learning, **professional experience**, broadening your horizons and the ability to adapt to unfamiliar surroundings. Additionally, you will develop **specific skills** for your chosen field.

Thanks to the Easy Languages team and our local partners, you will receive advice **before, during and after your placement**. All you have to do is choose the destination, your work domain and decide how long you want to be there. We will take care of the rest!
