Total Immersion

Total immersion is the ideal option if you don't have much time. You will stay with your teacher, have personalised lessons one to one and have the **host family** experience.

Whether you are a professional looking for an **effective short term programme** or the parents of a child who wants to learn in a **safe and friendly environment**, this programme is for you. Open to everyone, regardless of your age, level or goals, this programme can be made up of individual language lessons or a combination of sports and cultural activities.

All of our partner teachers are **qualified** degree holders in the teaching of their mother tongue.
