France

France is the largest country in Europe and has a diversity of landscapes and unique cultures. Each region has its own charm, its own history, its own gastronomy and cultural asset. That's why we offer the many destinations:

the inescapable capital, Paris, Nice residing the French Riviera, Lyon and Grenoble in the Alps, or from Normandy to Bordeaux, not to mention the picturesque medieval city of Montpellier. There is something for every preference!

The various workshops offered will allow you to combine learning the language and cultural activities. Why not try out the kitchen or deepen your knowledge of history and of the French civilization. Whatever your goals may be, we have the program for you.
